The PARTNERSHIP hereby disclaims the terminal part of any patent granted on the above-identified application which would extend beyond the expiration date of U.S. Patent No. 6,326,173. Moreover, the PARTNERSHIP hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 6,326,173, this agreement to run with any patent granted on the above-identified application and to be binding upon the PARTNERSHIP, its successor, or assigns.

The PARTNERSHIP does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory terms of U.S. Patent No. 6,326,173 in the event that one or both patents later expire for failure to pay a maintenance fee, is/are held unenforceable, is/are found invalid, is/are statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.312(a), has/have all claims canceled by a reexamination certificate, or is/are otherwise terminated prior to expiration of their statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.
